Servers Plus Online Order

orders@serversplus.com <orders@serversplus.com>

24 March 2011 10:17

To: martin237@gmail.com

Your order details:

Your Account Number: 4924
Your Order Number: 1000302269
Your Purchase Order Number: microserver
Total Invoice Value: £320.28

Your order is subject to final approval and this is **not** confirmation.

Once your order has been dispatched, you will be able to access your invoice and track the status of your order from your [ServersPlus Account](#)

Please note: As we despatch from multiple warehouses, if you have ordered more than one item (or a bundle) from us it is possible that your order will be shipped in separate consignments. If you wish to check your order status with us, please call us or use our online chat facility.

Why use ServersPlus?

Servers Plus is the UK's leading independent supplier of network hardware, software and support services. Through our relationship with the world's leading manufacturers we are able to pass on huge savings direct to business and education customers, backed by expert advice and dedicated account management, with over 10 years experience.

In addition to supplying a full range of leading brand, server, storage and networking hardware and software, Servers Plus offers a complete range of IT support services. Through our team of Microsoft Gold Certified engineers we are able to offer a range of bespoke services to customers across the UK. From hardware configuration services through to full IT outsourcing, we can

accomodate all requirements at highly competitve rates backed by a professional and reliable service.
